INTERNSHIP

Computer Application Center - Bhubaneswar

Fullstack Developer Intern

Nov 2023 - May 2024

- Collaborated closely with a dynamic team of developers to ensure high-quality design.
- Utilized a robust tech stack, including HTML, CSS, JavaScript, Bootstrap, PHP, and MySQL, to deliver exceptional user experiences and drive project success.

PROJECT

Portfolio

- My personal portfolio website showcases my skills, projects, and experiences as a developer. Built using Angular for the front-end, Node.js for the back-end, and MySQL for data management and RESTful APIs to manage data interactions, this project demonstrates my ability to create a dynamic and interactive user experience.
